PAUL L. HARRIMAN

This community has suffered a loss in the recent death of Paul L. son of Mr. and Mrs. H. Z. Harriman. He was a member of Ambulance Company 28, to which he was assigned on enlisting in the medical department of the national service in September. For a time he was stationed at Ft. Ontario, Oswego, N. Y., but was later transferred with his company to Camp Greene, Charlotte, N. C. He was appointed surgeon's assistant and showed much interest in his duties. Death came to him after a brief illness of measles and pneumonia. A military service was held in his honor at the camp and his company, acting as military escort, conveyed his body to the station to be sent home for interment.

Funeral services were held in the U. P. church here, conducted by the pastor, Wednesday, Jan. 9, at 1 o'clock. The large attendance at the services testified to the esteem in which he was held in the community and the widespread sympathy felt for the parents and brother who survive him. Among the beautiful floral tributes was one sent by the members of his ambulance company.

He was a member of the congregation here and had always been actively identified with the work of the Christian Endeavor and Junior societies, having served for a considerable time as superintendent and later organization. He was looking forward to a life of usefulness and unselfish service in the field of industrial education and spent last year in attendance at the Y. M. C. A. training college at Springfield, Mass., in preparation for this work. At the time of his death he was 23 years of age.

We wish in this way to express our appreciation of the kindness and sympathy of our friends and neighbors in the great loss of our dear son and brother, and especially wish to thank those who sent the many beautiful flowers.
